REMARKS

Claims 6 to 9, and 16 to 54 are in the application. Claims 16 and 34 have been amended. No new matter is believed added. Pursuant to a telephonic discussion with the Examiner, Applicants have amended Claim 16 and 34 to remove the "and clavulanate" inadvertently left in the claims in the second to the last line, and added back in the "and clavulanate" in the last line. This is believed to obviate the 35 USC §112 rejection.

In view of these remarks and amendments, reconsideration and withdrawal of the rejection to the claims under 35 USC §112 is respectfully requested.

Should the Examiner have any questions or wish to discuss any aspect of this case, the Examiner is encouraged to call the undersigned at the number below. It is not believed that this paper should cause any additional fees or charges to be required, other than expressly provided for already. However, if this is not the case the Commissioner is hereby authorized to charge Deposit Account 19-2570 accordingly.

Respectfully submitted
